

UNDER SECTION23A & SECTION 32, CROWN MINERALS ACT

Application for a prospecting permit, mining permit or minerals exploration permit

This form is to be used to apply for a new permit (under section 23A) or a subsequent permit (under section 32) of the Crown Minerals Act 1991. This form is not to be used to apply for a petroleum exploration permit or any permit offered for allocation by public tender under section 24 of the Crown Minerals Act 1991.

- New Zealand Petroleum & Minerals recommends that applicants familiarise themselves with the Crown Minerals Act 1991 (the 'Act'), the relevant regulations, and the relevant Minerals or Petroleum Programme, and seek professional advice where appropriate before making an application for a permit. **See www.nzpam.govt.nz/our-industry/rules-regulations/** for more details.
- Please note that information provided with your application is treated confidentially but may be subject to release under the
 provisions of the Official Information Act 1982. If this is the case, we may consult with you before the material is considered
 for public release.
- The personal information you must include in this form is needed to process your application under the Act. You have the right under the Privacy Act 2020 and/or the Official Information Act 1982 to access information held about you by New Zealand Petroleum & Minerals and request that this information be corrected if necessary.
- The information you provide in this form may be used for regulatory compliance or enforcement purposes according to the Ministry of Business Innovation and Employment's **Transparency Statement**.
- If the space on any part of this form is insufficient to include all relevant details, place them at the beginning of the supporting Information document in the order they appear in this form, state 'see supporting information' in the appropriate space, and attach the document to the application.
- Note that a permit holder is the person who is the sole permit participant, or all of the permit participants, as the case may be. A permit participant means a person who holds a participating interest in a permit.

NZP&M is a branch of the New Zealand Ministry of Business, Innovation and Employment. We manage New Zealand's Crown Mineral Estate. Our aim is to maximise the gains to New Zealand's economy from development of these resources, a key component to the government's Business Growth Agenda. To support this aim we endeavour to educate and inform New Zealanders, including consultation with indigenous stakeholders and local government.
